Coughed 20 Years.

I suffered for 25 years with a cough, and spent hundreds of dollars with doctors and for medicine to no avail until I used Dr. Bell's Pine-Tar-Honey. This remedy makes weak lungs strong. It has saved my life.—J. B. Rosell, Grantsburg, Ill.

HAVING been solicited by a number of persons to open a cooking school in Paris this Fall, I have decided to do so early in October if a sufficient number of pupils can be secured. All persons desiring to take one or more lessons, will please give me their names within the next few days. I wish to state that I have made arrangements with Mr. Seiger, of Louisville, to furnish on short notice, individual ices, fancy cases and ornaments for serving same. Important Change on The Frankfort & Cincinnati—Two New Trains.

No. 2 train will leave at 9:30 a. m., and arrive at Frankfort at 11:30 a. m.

No. 8 leaves at 4:30 p. m., and arrives at Frankfort at 8:10 p. m.

No. 1 leaving Frankfort at 7 a. m., arrives at 8:40.

No. 1 will connect with the Q. & C. fast train south and No. 5 connects at Georgetown with the Q. & C. local passenger from the south.

Lung Irritation

is the forerunner to consumption. Dr. Bell's Pine-Tar-Honey will cure it, and give such strength to the lungs that a cough or cold will not settle there. Twenty five cents at all good druggists.

CRAWFORD BROS. have lately improved their barber shop, making it decidedly the most attractive shop in Paris. They offer a prompt, expert and polite service, and their shop is as cool as any in the city. Hot or cold baths at any hour. (1f)

The Havana Limited.

This first American railway to announce train service for a special benefit of Paris to the West Indies has been heard from. The Queen & Crescent Route is announcing a fast train known as the Florida & Havana Limited. It will go into service from Cincinnati to Tampa, Jacksonville, Miami, Mobile and New Orleans. This exponent of the genuine American idea of getting into the field early will be a complete vestibuled service with diners, observation cars, wide vestibules, electric headlights, and all the paraphernalia of the modern railroad train. It is chiefly to be marked as being first in the field for the new territory which is just coming under the protection of the greatest flag on earth. Train will make fast time to ports named and will connect with fine steamer service to various Ports in Cuba, Porto Rico and Jamaica. It marks a new era in railroading in this country.

NOTICE.—Mrs. Laura G. Taylor is taking subscriptions for the Ladies Home Journal, and would be glad to take your order. (1f)

North Middletown has upon her streets a brand new out-and-out delivery wagon. It is owned by Mr. A. S. Trimble, and it is the first one that has ever paid us a visit.

The land of the late Wm. Wade, which surrounds the post-office, Wade's Mill, was sold at public auction, Saturday, as follows: Fifty-four acres, dwelling-house and the store, to Senator B. F. Cockrell, of Mt. Sterling, at \$77 per acre; 63 acres, the mill and a tenant-house to E. B. Dooley at \$69 per acre; 114 acres (the Kane place) to Mr. Dooley at \$42 per acre. The chilliness of an Autumn wind will blow through the tree tops to-night and desolation will brood over the Bluegrass landscape. In the silence of our country homes, mothers and daughters, perhaps, are discussing "The Cape Cod tune," "The Millinery Developments," "The Moles of the New Season," and "The Items of Interest in THE BOURBON NEWS." After glancing in this column, some very brave and very fair maiden may venture to exclaim: "Dear me, Roxy! We had almost come to the conclusion that you were serving Uncle Sam's stars and stripes, or that you were facing the shot and shell of some fickle girl's idle fancy." Click! Click! The cast-iron links of the big chain that bound us have snapped, and we are free. Perhaps the thought of a big fight has stirred us, perhaps it has brought us the sweet scent of some future promise—at any rate, we have never yet had the exquisite pleasure of being funeralized. We mock the phantom voice, and the track is still clear.

THERE are eggs and eggs. The egg of yesterday looks, feels, measures and weighs like the egg of last month, but there's a difference in another respect, and that difference is worth money. Its just so with laundry. The difference between good work and poor is slight to the unpracticed discernment, but it's a difference that counts every time. It's a difference that changes your laundry bill from an expense to an investment. We do good work—it will cost no more than poor work but its worth double the difference.

Dr. Adair's Dental Parlors.

HAVING recently been several times asked if I was still conducting my dental parlors, I desire to inform the public that I am still at their service and can be found at my office opposite the Courthouse. My interest in a bowling alley does not conflict with my practice. See my card in another column.
